Dedication

The new 1982-83 "Cougar Encounter" is dedicated to the parents, students, staff, school board and administration, and to the other people of our community who contributed to the building of the new Lakewood High School. We had our growing pains like any other new school, but with everyone's support we pulled through with flying colors. Students for years to come will use and appreciate the facilities.

ADMINISTRATION

None Other Than . . .

This is your year of transition.

First, you are part of the student body in transition from an emerging high school to a full fledged high school with Lakewood's first ever senior class.

Mr. Gilmore

Second, you are part of the physical transition from middle school facilities to our new high school facilities.

Third, you are in transition as an individual from the young student to young adult.

Like everyone in transition, what you do now will shape your life in the future. Be sure to take advantage of the many opportunities these years provide. Your future life is based on what you do now. Take the time to consider your future and select your current activities to help you reach your goals.

Congratulations to all of you for your understanding and sacrifices during this special transition year. You'll reap great benefits in the future.

1982-83 will be remembered always as the year of the "Lakewood Jr.-Sr. High School"! Through persistent efforts of the Lakewood community, students and staff, Lakewoods Jr.-Sr. High became a reality and a great source of pride for everyone.

Traditions have begun, varsity ball teams are on their way to victory and students are reaping in the benefits of an excellent educational program. The avenues of success for all are wide open, just waiting to be explored.

Between the efforts of our terrific student body and the valuable skills to be learned during your remaining school years. The community will be greatly rewarded with many fine and independent citizens of the future.

Best wishes to all of you on your journey to success.

As Lakewood High School ends its second year of existence we continue to experience the growing pains of being a new school.

We must learn to accept those "Growing Pains" as a part of the educational process and benefit from the challenges this growth exerts.

The students and staff at LHS have proved that they "are ready" to accept those challenges.

We must strive to meet these challenges through patience and unity.

Mr. Whyte

Wow! What a year! We started from scratch to learn how to put a yearbook together and it's been quite an adventure. This is the first time that all pictures have been developed by our own staff! We hope to see an even larger staff next year-KB.

Working on the annual staff has been an experience- Pam and Denise

EIGHTY THREE

A large, stylized graphic of the number 83. The number is formed by thick, black, parallel lines. The '8' is composed of a large loop at the top and a vertical stem. The '3' is formed by a horizontal line that intersects the stem of the '8', followed by a curved line that loops back to the right. The overall design is bold and modern.

ATHLETICS

Varsity Football

GAME 1

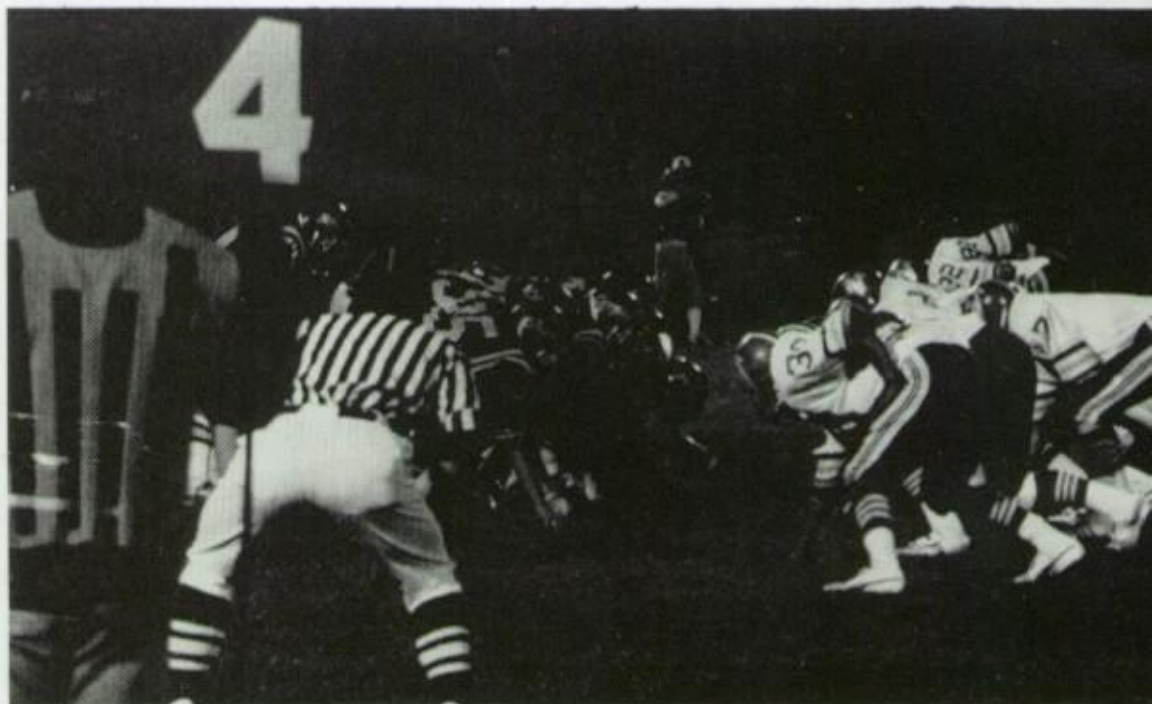

Lakewood headed into Arlington for the first game of the year. The two teams met with a hard defensive line. Chris Cox scored a field goal that put us in the lead. The Cougars held Arlington, but in the last two minutes the Eagles completed a long pass to win the game.

GAME 2

Disappointed with their loss, Lakewood worked extra hard. Steve Gower rolled in for three touchdowns and David Wiles kicked the accompanying points.

GAME 3

Lakewood came to Sultan and walked right through. The Cougars crushed them and came up for a 20-0 victory.

South Whidbey	28	7
Granite Falls	9	0
Concrete	21	14
Marysville	21	0
Tolt	0	20
Kings Garden	6	21

GAME 4

The first game at the Lakewood High school fell to South Whidbey who whirled around Lakewood's defenses with a deadly sweep around the end.

GAME 5

A tough game of defense finally fell to the Cougars in a 9 nothing win.

THE COUGARS PUT ON THE CRUSH

GAME 6

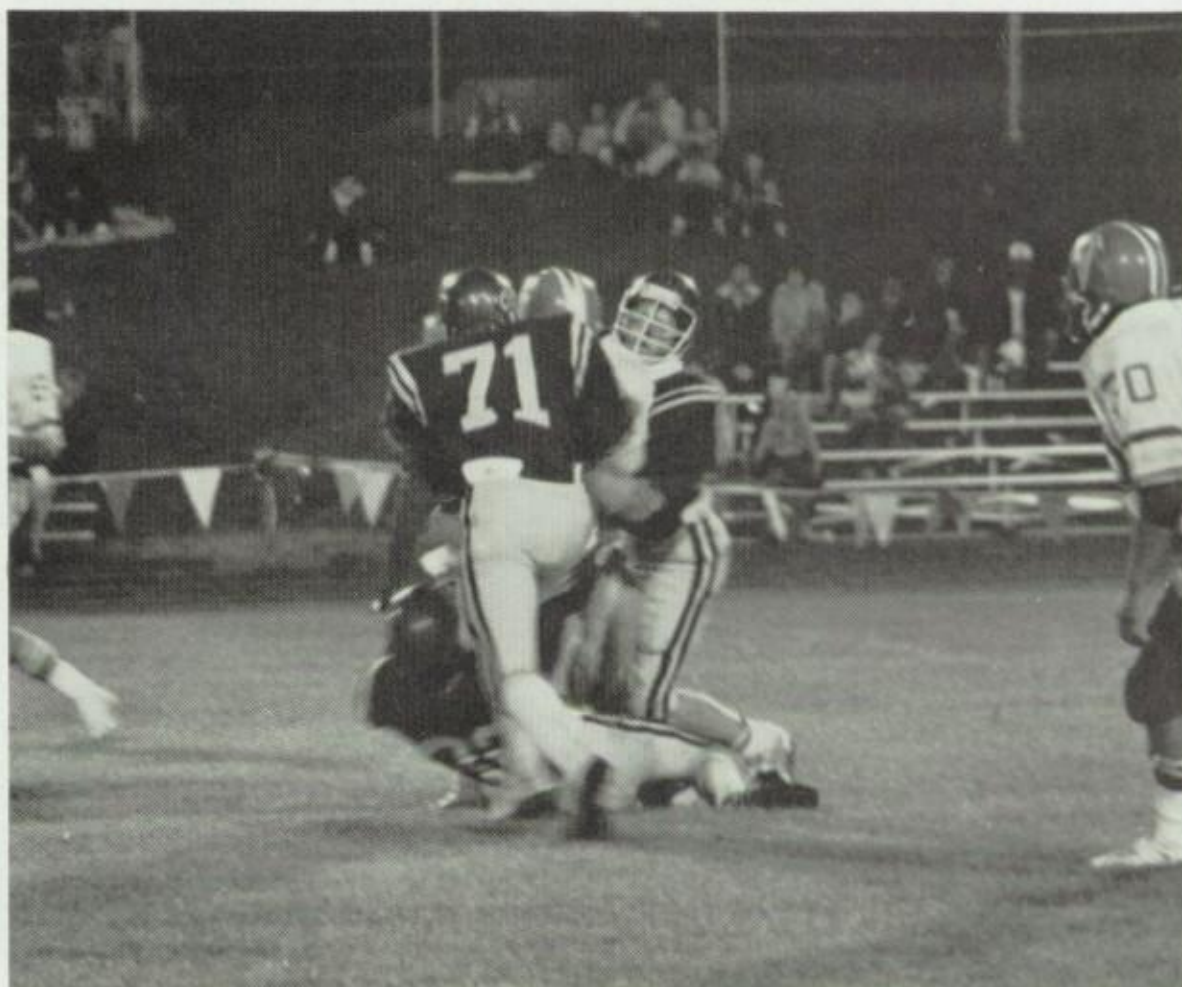

Concrete was beaten in a 21 to 14 shot.

GAME 7

Chris Cox started off the game on the right foot against Marysville by returning the kick-off for a touchdown, leading Lakewood to a 21-0 victory.

GAME 8

Lakewood wound up for the biggest game of the season- the Tolt Demons. Despite the Cougars efforts Tolt waded through for a 20-0 win.

Coach Cardinal

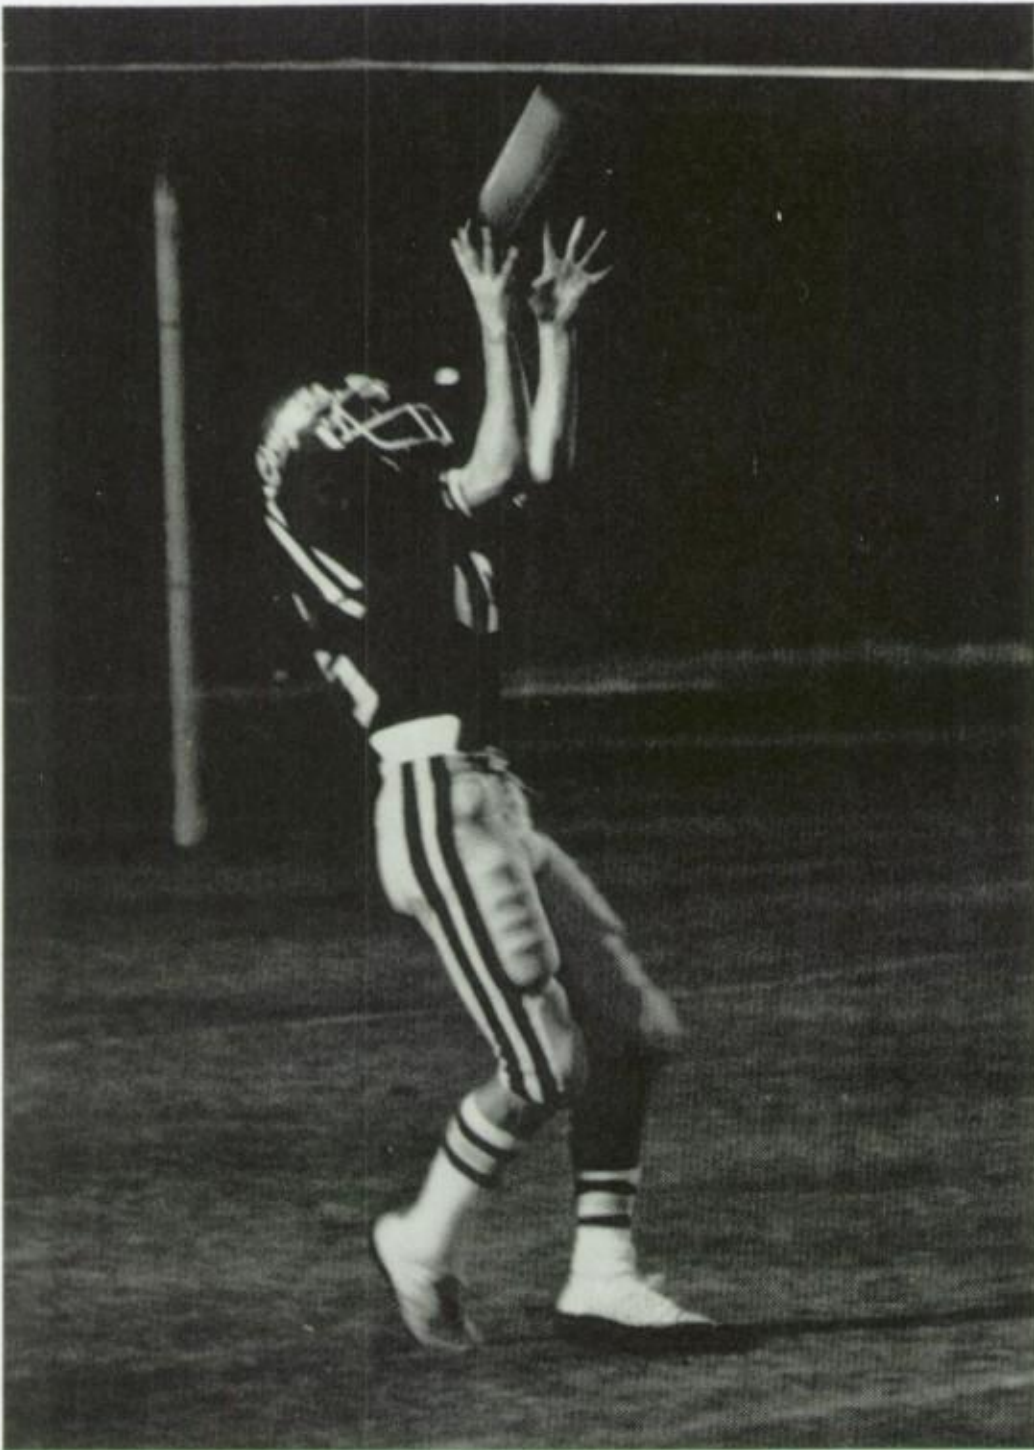

In our initial year of Varsity Football the Cougars at times performed extremely well. On other occasions we had breakdowns. The Cougars displayed outstanding spirit and achieved a winning season with a record of 5 wins and 4 losses - I enjoyed working with them.

Coach Cardinal

GAME 9

The Kings came out on top in the last game of the season, scoring 21 while the Cougars managed to put only 6 on the board.

Top row: Michelle Howard, Denise Whitsett, Nicole Summer, Julie Harris, Becky Burden, Bottom: Stephanie Boortz, Jessica Neuhooff

This has been a winter for experiences! I've really enjoyed working with the girls on the squad and was impressed with their perseverance and faithfulness to Lakewood High School.

What's wrong Michelle?

What's the big secret?

Cheerleaders up to their tricks again.

Mr. Cardinal

The Lakewood High School wrestlers are becoming very good in their wrestling techniques, and well respected by the Cascade League. With the addition of the weight room the wrestlers are developing great strength. I am very proud of this group and believe we will have some state competitions this year. The Wrestlers are winners and they are "class" people.

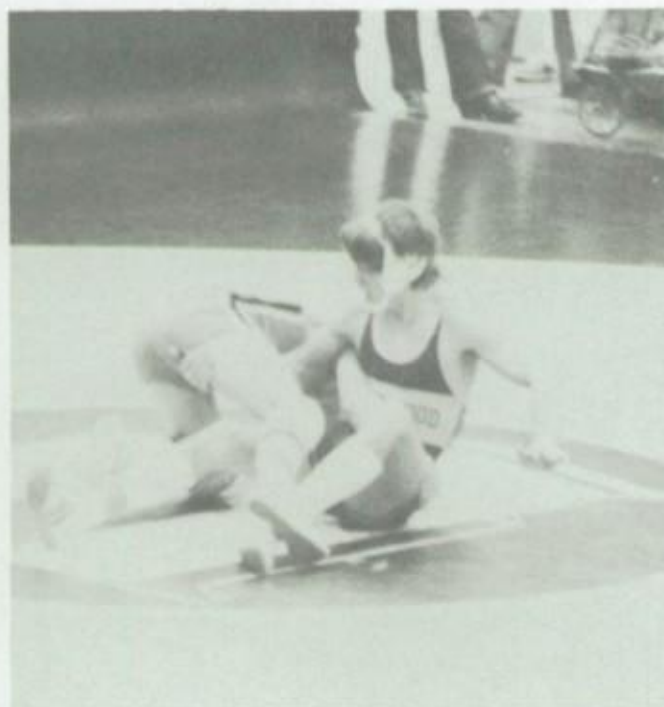

Coach Cardinal

Brad Ubirt

I've enjoyed working with Coach Cardinal and the wrestlers. Our team is great!!!

Varsity Boys Basketball

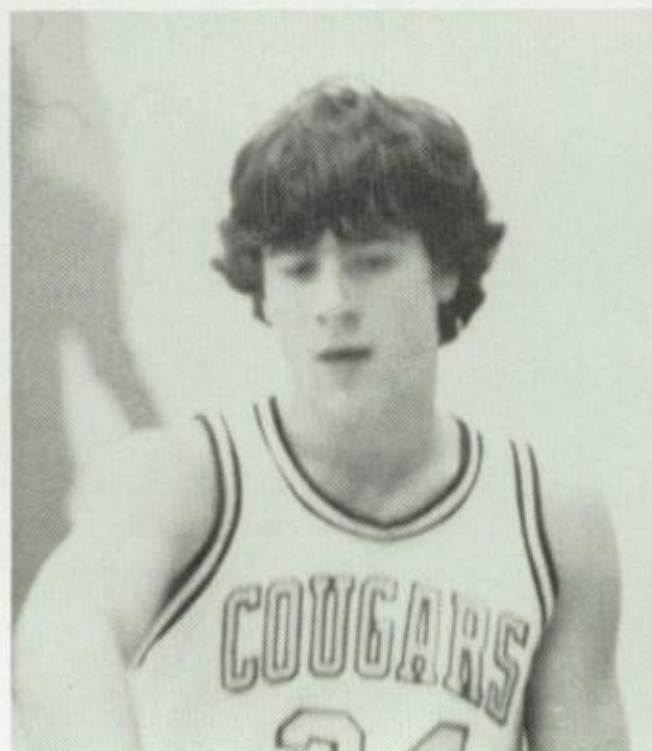

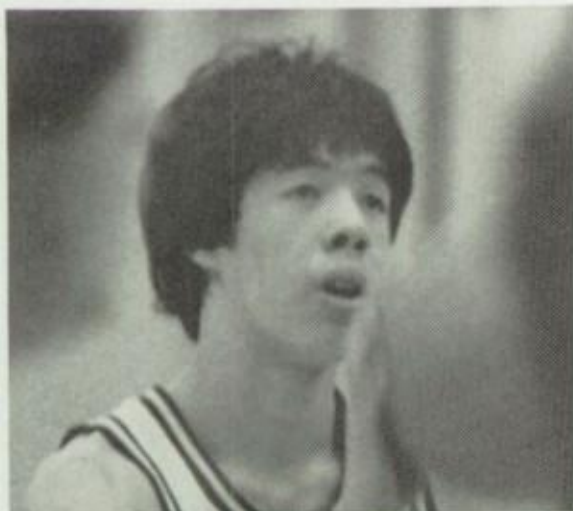

Mr. Jensen

Playing in one of the toughest leagues in the state has made it tough to get many wins. However, these young men know that with hard work and desire things will not only get better but also easier. The team improved with each game and is looking forward to many more wins next year.

Coach Jensen

Varsity Girls Basketball

Ms. Olivier

The girls had a tough season this year s our first year playing at the varsity level. However, I have the highest respect for these young women athletes because they give 110% at tournament and at the games - no matter what the score. As a closing comment, Lakewood will be noticed once we get some experience and confidence in each future season. Coach Olivier
